# Brake Band Piston (B1) Assembly Tool for Mercedes Automatic Transmission 722.x

## **INTENDED USE**

This tool is used for installing the brake band piston (B1) on the Mercedes automatic transmission 722.x and it is to be used as Mercedes OEM 201589035900.

## **ATTENTION**

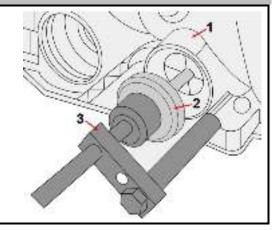

Read the operating instructions and all safety instructions contained therein carefully before using the product. Use the product correctly, with care and only according to the intended purpose. Non-compliance of the safety instructions may lead to damage, personal injury and to termination of the warranty. Keep these instructions in a safe and dry location for future reference. Enclose the operating instructions when handing over the product to third parties.

#### **SAFETY INFORMATIONS**

- Keep children and other persons away from the working area.
- Do not allow children to play with this tool or its packaging.
- Do not use the tool if parts are missing or damaged.
- Use the tool for the intended purpose only.
- Be careful when working on running engines. Loose clothing, tools and other objects can be caught by rotating parts and cause serious injury.
- Be careful when working on transmissions, the transmission oil can be very hot and cause burns!
- This manual serves as a brief guide and does not replace a workshop manual. Always refer to the
  vehicle-specific service literature, particularly the technical data such as torque values and
  instructions for disassembly/assembly, etc.
